Welcome to

Grange-over-Sands

The charming Edwardian resort of Grange-over-Sands is set between the Lake District fells and Morecambe Bay, and offers one of the mildest climates in the North of England.

The advent of the Furness Railway transformed the small fishing village of Grange-over-Sands into the fashionable Victorian-Edwardian resort, with wealthy merchants building grand houses, which now accommodate top quality hotels, like Thornleigh.

The town features a traffic-free promenade, ornamental gardens, a duck pond, golf courses, brass band concerts and vantage points for bird watching. These are just some of the many attractions on offer. The shop fronts still retain their Edwardian appearance with many shops selling local produce.

How to find us

Grange-over-Sands is approximately 20 minutes by road from exit 36 of the M6, following the A590 and B5277.

Upon entering the town, take the first exit at both mini-roundabouts on Main street, to the Esplanade. Thornleigh is on the right-hand side, Morecambe Bay on the left.

If travelling by train change at Lancaster to Grange over Sands. There is a direct link from Manchester International Airport, Manchester Piccadilly and Oxford Road stations. Thornleigh is 2/3 of a mile from the station. There is an uphill walk but taxi's are usually available from the station.

For over forty years Highway Trust has been welcoming individual guests and groups to Thornleigh Hotel, which is on the Esplanade, boasting panoramic views of Morecambe Bay, in the Edwardian resort of Grange-over-Sands.
