**NEW BROCHURE DETAILING
2021 HOLIDAYS!**

Hello!

Welcome to our new brochure for 2021. We have decided to prepare our brochure in-house meaning we can update the brochure quickly and more economically than outsourcing the design and printing. 2020 brought a year no-one could have predicted but with renewed energy we embark on our 'new normal' hoping and praying all will stay well.

We have prepared our traditional dates in February and March but introducing some new faces for our Bible Study and Time of Fellowship. We are thrilled to welcome Revd Ashley Cooper and Revd Loraine Mellor to Thornleigh. For those who start at the back and read forwards (that's the left-handers), you will see we are delighted to introduce two popular names on the Christian circuit to Thornleigh, Roger Jones in August/September and Marilyn Baker from MBM Ministries at the end of September - these are sure to be popular from the responses we are getting so reserve your room today!

A Covid-safe deposit of £80 per person will secure a room. Since re-opening we have had some lovely holiday weeks, guests have commented how safe they felt, so we are ready to welcome you all back to Thornleigh in 2021, social distanced of course and adhering to government guidelines. Please keep sharing the news Thornleigh is open and we look forward to seeing you very soon, with love and blessings

In the night sky

with Stuart Atkinson

Stuart Atkinson can remember the exact moment when his passionate interest in space and the night sky began. "When I was at junior school the Apollo missions were happening. In those days schools just had one television, which was kept in a big cupboard and was wheeled out for big events. I was sitting on the floor and watching grainy black and white footage on TV of people bouncing around on the Moon and the pilot light whooshed and that started my interest in space."

Find out about the night sky and its workings, the solar system and its place in our galaxy. £175 incs Lunch on Sunday

Adrian Plass!

24 - 28

MAY 2021

His most well known book remains *The Sacred Diary of Adrian Plass (37 3/4)* which has sold over a million copies world wide, and is the first in a series of gently satirical novels about the hapless attempts of his central character to be a better Christian. It began life as a column in *Family Magazine*, which is why the central character bears his own name. It is also why this Adrian has a wife called Anne and a son called Gerald, which has caused some confusion over the years as Adrian's one and only wife has always been Bridget and they have four adult children, none of whom are called Gerald!

Adrian has at present written 40 books including three with Bridget and two with Jeff Lucas. He is perhaps proudest of his book of collected poems, *Silences and Nonsenses* but he has a special affection for *Looking Good Being Bad* which he says still makes him laugh! His favourite book is usually the one he is writing at the time.

Tony Vino!

12 - 16

JULY 2021

Tony is the only half Spanish half Scottish hybrid working comic in the world. Born in Malaga he was subsequently raised in the Costa Del Preston, Lancashire. When he was only a toddler his father looked around saw the sea, the sand and the sunshine of the Andalucian coast and thought, "We need to be nearer Wigan Pier". He is also a well sought after act for high profile fundraising events for charities such as Christian Aid, Oxfam, Fairtrade Foundation and Tearfund. He was also the official warm-up comedian for BBC Songs of Praise (tough crowd). (www.tonyvino.co.uk).

Folklore & Faith

Join Tony Vino, a professional comedian, retreat leader and storyteller as he draws inspiration from old folktales as well as scripture to get you thinking about life, God and your own story.

Tony has been fascinated with the art of storytelling all his life. Performing internationally for the past 15 years as a comedian and entertainer he uses stories to inspire new ways of seeing. For the past 7 years he has been avidly researching and retelling folktales through the led retreats he runs called Journey Into The Wild (www.journeyintothewild.org.uk), bringing out the wisdom and themes behind the fables.

We are delighted to have Tony lead a fun and interesting week at Thornleigh in which he will start each day with an inspiring story and then lead a discussion group each evening to explore the themes therein.

As well as venturing out on led walks, there will be thought-provoking indoor sessions exploring archetypes as well as times of sharing. Some things to expect are walking, feasting, praying, thinking, discussing and of course plenty of storytelling....

Marilyn Baker Ministries

with Marilyn Baker & Tracy Williamson

20 - 24

SEPTEMBER 2021

MBM is a dynamic itinerant ministry of music, teaching and prayer. It began in the early 1980's with singer/songwriter Marilyn Baker releasing albums which drew people into God's healing presence.

Churches started inviting her to do evangelistic and encouragement concerts and Marilyn, who has been blind almost from birth, soon realised the tremendous potential to touch people's lives in a deep way.

At God's leading she gave up her job as a music teacher and started ministering full-time.

Soon Marilyn was travelling extensively in Britain and many parts of the world. A familiar performer at Spring Harvest, Filey and other conferences, Marilyn quickly became Britain's top selling female gospel singer.

In 1986 Marilyn was joined by Tracy Williamson, whose gifts in speaking and prophecy enriched the music with a new dimension.

Marilyn's cd's and Tracy's books enable them to reach an even wider audience.

They minister to large or small groups or in elderly peoples' homes and prisons. However they do it, the focus of the ministry remains the same, to bring people and churches into the healing and empowering presence of God through music, teaching and prayer. £440
